

## **Volhard - Puppy Aptitude Test**

Tester

Litter

Date

**Skye      Daphne & Titan's Litter      Apr. 21, 2024**

### **About the Test**

Getting a dog or puppy on impulse is rarely a good idea. Remember that dogs were designed for a particular function. The Volhard test is designed to help guide you in deciding what puppy to get. You can learn more about the details of this test at [volhard.com](http://volhard.com)

### **The Tests Consist of the Following:**

1. Social Attraction - degree of social attraction to people, confidence or dependence.
2. Following - willingness to follow a person.
3. Restraint - degree of dominant or submissive tendency, and ease of handling in difficult situations.
4. Social Dominance - degree of acceptance of social dominance by a person.
5. Elevation - degree of accepting dominance while in a position of no control, such as at the veterinarian or groomer.
6. Retrieving - degree of willingness to do something for you. Together with Social Attraction and Following a key indicator for ease or difficulty in training.
7. Touch Sensitivity - degree of sensitivity to touch and a key indicator to the type of training equipment required.
8. Sound Sensitivity - degree of sensitivity to sound, such as loud noises or thunderstorms.
9. Sight Sensitivity - degree of response to a moving object, such as chasing bicycles, children or squirrels.
10. Stability - degree of startle response to a strange object.

Stability	Sat and looked, but did not move toward the umbrella	4

## Test Highlights

All puppies have scored mostly 3's and 4's. Here is what these scores mean:

### **Mostly 3's**

Can be a high-energy dog and may need lots of exercise  
Good with people and other animals  
Can be a bit of a handful to live with  
Needs training, does very well at it and learns quickly  
Great dog for second time owner.

### **Mostly 4's**

The kind of dog that makes the perfect pet  
Best choice for the first time owner.  
Rarely will buck for a promotion in the family  
Easy to train, and rather quiet.  
Good with elderly people, children, although may need protection from the children  
Choose this pup, take it to obedience classes, and you'll be the star, without having to do too much work!

Tidbits: The puppy with mostly 3's and 4's can be quite a handful, but should be good with children and does well with training. Energy needs to be dispersed with plenty of exercise.
